

Before recycling

It is always recommended to reuse before recycling, to prolong the use-phase of the product. If the product should be recycled, please use the following instructions.

Overview of materials

The table below shows the different materials used for production of ANGEL TABLE.

FRAME	Galvanized steel
TABLETOP	Glass
FEET	HDPE (polyethylene)

Recycling instructions

If the feet are attached to the frame - remove these. The tabletop is lifted from the frame. The materials are sorted and recycled using the instructions at the recycling facility.
