

## Description

Font out door is an outdoor version of the popular Font collection. Same as for the Font collection, the outdoor collection includes eight design pieces ranging from bar stools, to dining and lounge chairs, with and without armrest. The collections are interconnected through the design which is evolved from the geometry of the circle.

---

**Dimensions**

W 139 cm, D 48 cm, H 90 cm / 100 cm  
Seat H 65 cm / 75 cm D 38.5 cm

---

**Weight**

23 kg (H 90 cm)  
25 kg (H 100 cm)

---

**Packaging type**

Assembled in box, plastic bag.

---

**Number of parcels**

1

---

**Packaging dimensions**

W 141 cm, D 54 cm, H 91 cm (H 90 cm) / 101 cm (H 100 cm)

---

**Packaging weight**

26 kg (H 90 cm)  
28 kg (H 100 cm)

---

**Materials frame**

- RAL 1015 on stainless steel
- Raw stainless steel
- Customized RAL colors (EUR 500 / 3750 DKK)

---

**COM/COL**

Fabric consumption: 2,1 x 1,4 m

---

**Accessories**

Plastic gliders are standard

---

**Technical Properties Foam**

- Dries up to 3 times faster than traditional foam cushioning materials.
- Reduces the drying time of a fabricated cushion by up to 50%.
- Long-lasting, even after sea or pool water immersion.
- Built-in protection against bacteria and moulds with silver particles.
- Flammability test: Cal TB117: 2013 section 3 & CRIB 5
- Certified to STANDARD 100 by OEKO-TEX®, an independently monitored standard of human and ecological aspects.

Before recycling

---

It is always recommended to reuse before recycling, to prolong the use-phase of the product. If the product should be recycled, please use the following instructions.

Overview of materials

---

The table below shows the different materials used for production of a Font chair or sofa.

FRAME Stainless steel

---

FRAMEFEET	HDPE (Polyethylene)
FOAM	High Resilience Foam HR 32140 Total Volatile organic compounds 49
SEAT BASE	FSC certified plywood
UPHOLSTERY	Depends on choice

Recycling instructions

---

Unscrew the backrest from the frame, using the screws under the backrest.  
 Unscrew the seat from the frame, using the screws underneath the seat.  
 Use a scissor or knife to cut open the upholstery, and pull it off the seat and backrest.  
 The foam can now be easily pulled from the metal frame of the backrest, and the plywood of the seat.  
 The materials are sorted and recycled using the instructions at the recycling facility.

### Frame

---

To clean, simply wipe with a soft cloth using lukewarm water. Avoid the use of chemical cleaners.

### Textile upholstery

---

For textile versions: See [kvadrat.dk](http://kvadrat.dk), [nevotex.com](http://nevotex.com), Gabriel or Designers Guild, for further cleaning and maintenance instructions for your chosen textile.

In general remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean lukewarm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. Finish by soaking up the moist from the upholstery using a clean dish towel and make sure it won't dye off and finish using a hairdryer.
