

Description

Taku is a family of dining chair, lounge chair and sofa characterized by the contrast between its rigid exterior shell and soft upholstered interior. Designed by David Thulstrup, Taku has a curved back that embraces or envelops the user, creating a sort of comfortable private domain. Although defined by its strong lines, Taku is endlessly versatile, offering diverse options for the back from mirrored or wood veneer to lacquered finish or leather and a myriad of combinations of textiles, patterns and colors for the interior.

Dimensions

W: 170 cm, D: 67 cm, H: 68.5 cm
Seat height: 35 cm

Weight

45 kg

Packaging type

Assembled in box, plastic bag

Number of parcels

1

Packaging dimensions

W: 172 cm, D: 69 cm, H: 70 cm

Packaging weight

48 kg

Materials**Shell**

- Leather
- Textile

Upholstery

- Leather
- Textile

Base

Standard with plastic gliders

Base

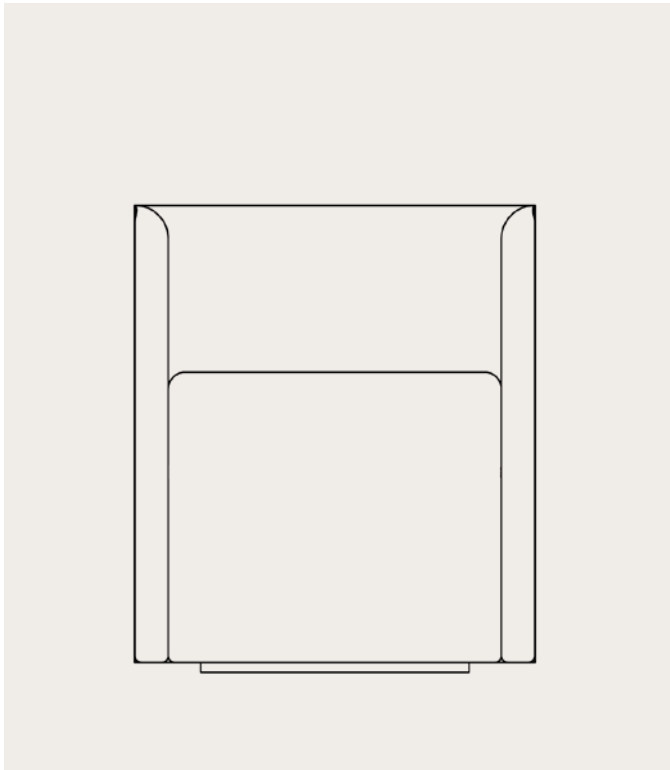

To clean, simply wipe with a soft cloth using lukewarm water. Avoid the use of chemical cleaners.

Textile upholstery

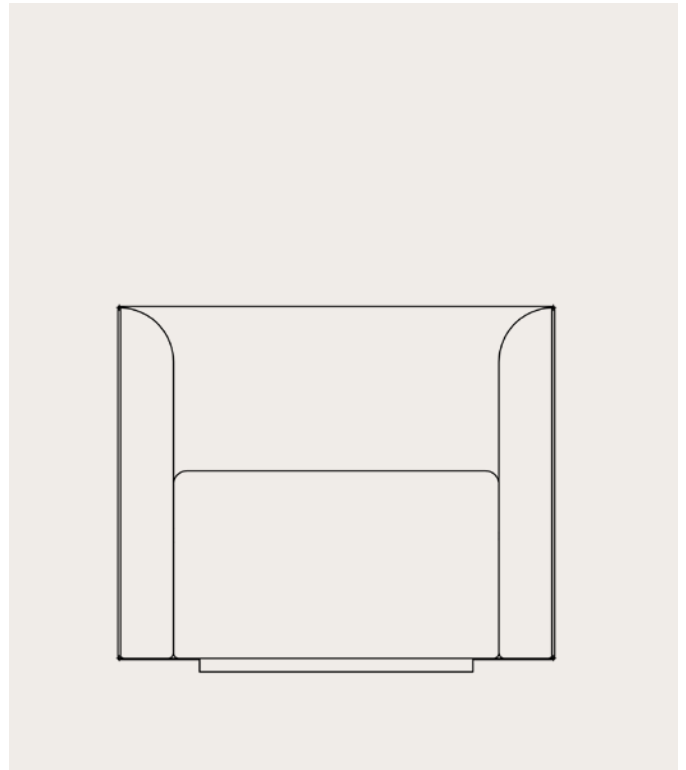

In general remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean lukewarm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. Finish by soaking up the moist from the upholstery using a clean dish towel and make sure it won't dye off.

Leather upholstery

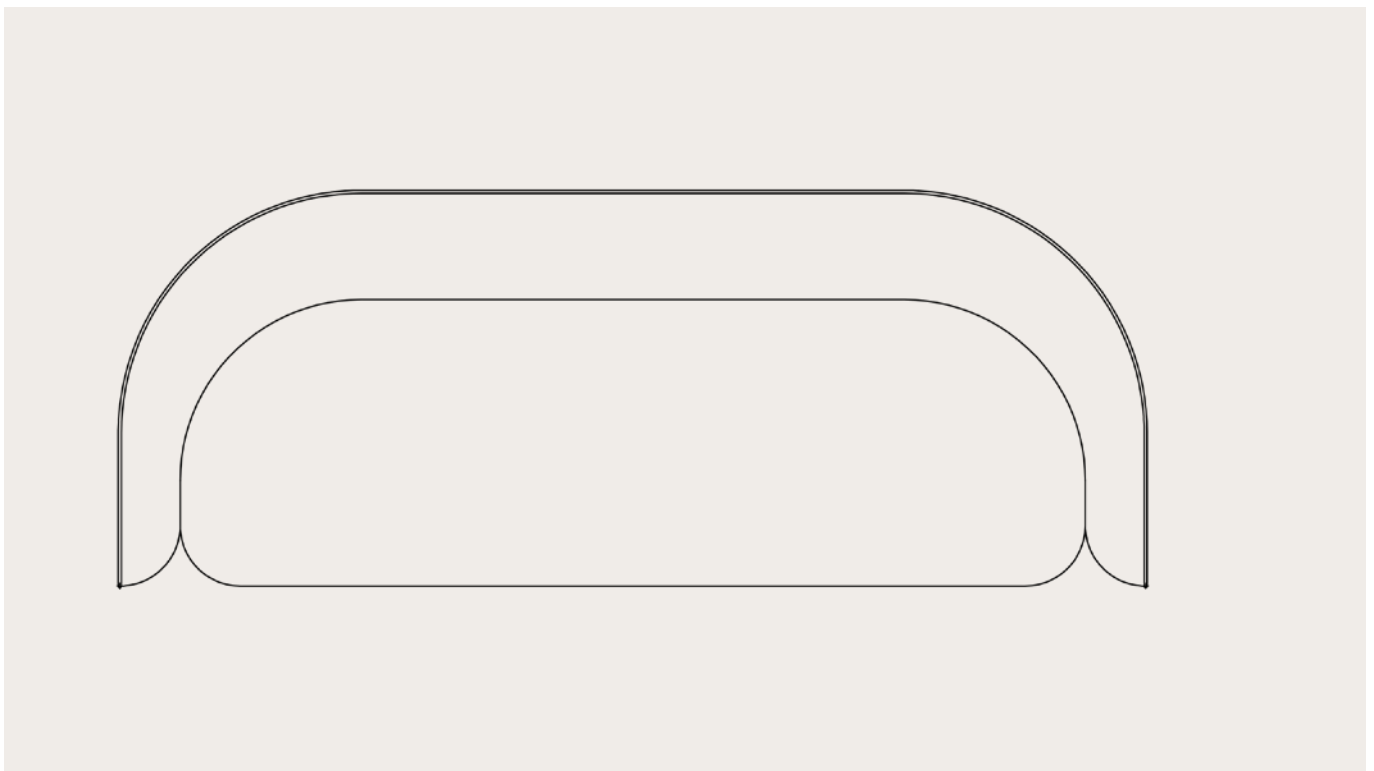

Avoid placing the leather in direct sunlight or extreme heat. To absorb any spills, use a clean, dry cloth immediately. To dush, use a vacuum cleaner with a soft brush regularly.
